SIR:

In response to the final Office Action dated January 25, 2006 and further to Applicants' first Amendment under 37 CFR 1.116, this Second Amendment is being filed with the correct claims for consideration by the Examiner. The previous Amendment referenced the original claims of the PCT application, not the corrected ones, and this Amendment corrects this error. The change is found in step (d) of claim 1, the remaining claims are the same as the original ones. Also reference to step (d) in the body of the Amendment has been corrected to reflect the language of step (d) as now presented and the arguments made in the previous 116 Amendment are the same.
